OUR DIGITAL HOME

In Celebration of the Filipino American History month, FilAmTV Network launches a global platform that would lay a foundation to a digital structure which Fil-Ams and Filipinos in America may call home. FilAmTV Network, a digital home for Filipino-Americans and Filipinos in America. Your home, finally. Programs will be mainly in English with familiar phrases in the Pilipino dialects. More than 70% of its programs will be produced and/or aggregated in America, while only up to 30% is sourced from the Philippines highlighting Culture and Destinations. And more importantly, FilAm TV Network programs are produced mainly by FilAms for the FilAms utilizing FREE-to-air, AD-supported, Over-The-Top and major Social Media Networks and distribution systems. FilAmTV Network will utilize the Linear TV structure of its sister Networks ACTV and VegasLifeTV with a combined viewership of over 18.5 Million in 2020, half of which is located in Los Angeles and Las Vegas

THE PROGRAMS

CONSULAR MATTERS a weekly program which informs, educates and updates Filipinos in America on news, events and advisories affecting all Filipinos, whether you're a visitor, student, trainee, worker, green card holder or dual citizen currently staying in America. The best part is that the person sharing the news, event or advisory is not the host or any other third party platform, but someone from the Philippine Consulate General's Office, so you can rest assured that it's official. Melody Mojica is host-producer of Consular Matters.

FIL-AM PERSPECTIVES a round-table discussion that tackles serious socio-economic matters which affect the lives of the millions of Filipinos in America, providing the viewers with the opportunity of knowing each topic in depth, knowing all sides, but in the end, getting the perspective of the witty yet feisty host-producer...Tita Gloria Caoile

FIL-AM NEWS is the premier news magazine TV show in Nevada catering to Filipinos in America. With over 120 weekly episodes and counting and over 50 stand-alone segments, Fil-Am News is the longest-running TV show covering most of the major Fil-Am events in Southern Nevada. Doc Mike Sta. Juana is the Host-Producer of Fil-Am Network, a multi-awarded TV personality.

PLANET 63 helps to efficiently create buying opportunities for US-based businesses in the Philippine market and in turn, also creates buying opportunities for Philippine-based businesses in the US market. Ferdinand Soriano is host-producer of Planet 63

MAGIC SPEAKEASY is a new magic virtual show produced by America's Got Talent finalists Cecile & Mighty. A collage of Magic, Music, Pantomime, Mentalism and more. Featuring the main stays, Raul, Fred Lee, Chris Herren as Faust and the music and magic of Cecile & Mighty with a variety of guest entertainers every episode
